Waste on a diet

Les déchets au régime *The monitoring of the project "Waste on a diet" was possible thanks to the additional coordination and the work of several structures on the SYBERT area.*

The **SYBERT** was the coordinator of the project. The “**Communauté d’agglomération du Grand Besançon**” was the associated beneficiary.

ADEME Franche-Comté and the **Conseil Général du Doubs** co-financed the project.

SYBERT partners were also involved in this project. **ASCOMADE** (Association of Communities from Franche-Comté for waste control and environmental), **social landlords**(Besançon habitat, Habitat 25, SAIEMB, Neolia), **CLCV** and the **city of Besançon** accompanied SYBERT in the implementation of actions. They also assumed the role of advisors.
